Who we are

WINE EXPORT AGENCY

Invicta Wines & Spirits serves as the official export agency for a selection of European wineries and distilleries, functioning as their accredited international sales partner.

Based in Cyprus and operating on a global scale, we collaborate closely with each producer to oversee their export sales, logistics, and international representation.

This catalogue includes a selection of both our proprietary labels and those of our partner producers, representing a portion of our portfolio. Additional SKUs and tailored solutions are available upon request.

IMPORTANT INFORMATION

The products and brands featured in this catalogue represent a selection of what we offer through our network of trusted partner producers.

Please note that availability may vary depending on specific country market. Our team will gladly verify availability for your region upon request.

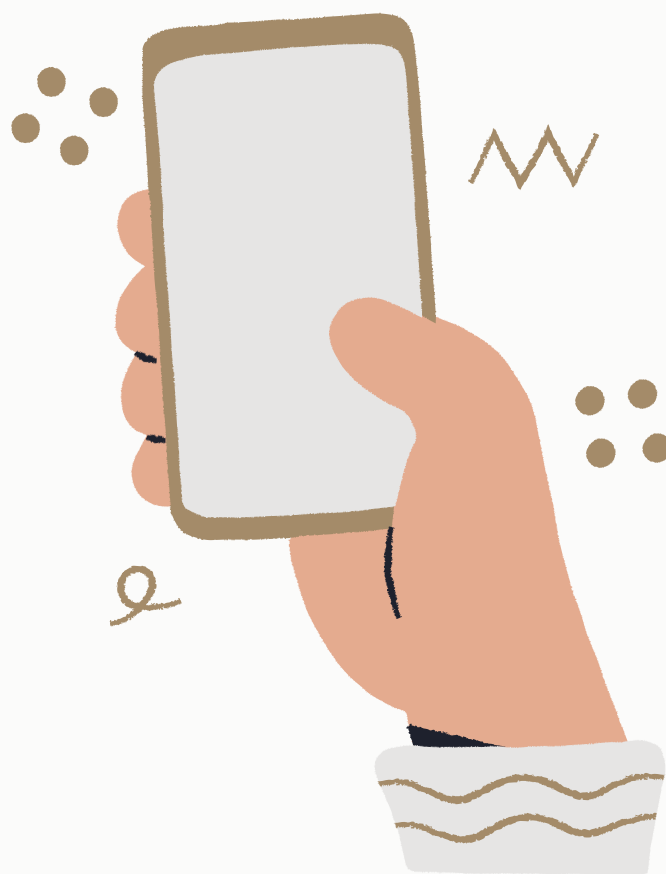

All pricing is determined on a case-by-case basis and takes into account:

- Order volume
- Packaging specifications
- Documentation and compliance requirements
- Delivery terms
- Payment and credit conditions

To receive a tailored commercial offer aligned with your needs and market, please contact us directly.

We look forward to supporting your sourcing strategy with reliable supply and professional service.
